WASHINGTON, D.C. 20505

IC/82/3403
21 April 1982

MEMORANDUM FOR: Chief, Classification Review Division

FROM: Walter Elder
Executive Secretary

SUBJECT: Systematic Review of Documents Created by
NFIB and Predecessor Organizations

1. I am prepared to act as the reviewing official for NFIB and predecessor organizations documents with the understanding that the estimates are not included and with the proviso that they may have to be referred to NFIB, as appropriate. Please continue to refer documents to me for review. I doubt NFIB would ever agree to let CRD act on its behalf, and I propose not to raise the issue.

2. With respect to USIB-D-28.4/4, 18 April 1962, I concur in your proposal to downgrade this document to CONFIDENTIAL, but I cannot speak to the rest of the file.

3. What impact does Executive Order 12356 have on these review procedures?
